Children's Information (Please list all children to be registered at SLO Classical Academy): If a new sibling is added, a sibling application must also be submitted. Every effort will be made to place families in their preferred track. However, due to classroom size limitations, priority will be given as follows:

1. Each family will have priority for their current track next year if this form is turned in by February 27th, 2009.
2. Current families who desire to switch tracks: date of submission of re-enrollment paperwork will earn priority within this category.
3. Waiting list from New Family Early Enrollment.
4. New families enrolling March 2nd, or by date.

Please mark A for Track A (Monday/Wednesday) or B for Track B (Tuesday/Thursday) or no preference under Preferred Track
